

President's Message

Happy Fall! I hope everyone had a fun and safe Halloween. I'd like to thank all of our parent volunteers for their time and donations to the school Halloween parties. Thanks for making it an enjoyable and memorable day for our children.

I'd also like to thank Kelli Impola and all of the volunteers who made the first Wolf's Crossing Family Movie Night a huge success. It was a wonderful opportunity for our school community to come together and enjoy an evening together. If you were unable to attend, Kelli has another movie night planned for January 8th.

A BIG THANKS to all of the families who participated in our fall fundraiser. We truly appreciate your support and commitment to our school. Unfortunately, we did not achieve our goal of \$25,000 and are currently working on how to adjust the budget for the year. Janice Czepiel, our Fundraiser Committee Chair, will have a full report on the fundraiser at our November meeting and in the December newsletter.

This month, we will have our second PTA meeting on Tuesday, November 10th from 7-8PM. During the business portion of the meeting:

Mrs. St. Victor, our school social worker, will give a brief presentation on bullying and the new program being implemented by the Oswego School District. Mrs. McDonald will present a proposal for an author/illustrator visit in April. We will discuss options for reducing paper and starting a virtual backpack and we will look at ways to cut the budget for school year. The family portion of the night is being planned by Maggie Kenworthy. She has planned a fun and fit evening which includes an obstacle course, skeleton race, dance revolution and much more. We look forward to seeing you there and hearing your input and suggestions.

Thank you for your support and have a fabulous day.

Rhonda Jorgensen

Principal's Message

November 2009

Dear Parents/Guardians,

My how time flies! November brings us cooler weather and a time to reflect during the Thanksgiving holiday about what we are thankful for. This month, although shortened with the holidays, brings a number of critical activities you need to mark on your calendar.

Thank you to all of our parents that supported students during our Halloween parade and parties. Your time and efforts on behalf of your child and all of our students is greatly appreciated. It's so wonderful to see all the support our parents give and our students loved sharing their costumes with you!

Our second PTA meeting will be held on Tuesday, November 10th. This year PTA is moving some of their meetings to different week nights in order to accommodate our families and their busy schedules. We hope to see you in attendance.

Please note our parent teacher conferences are being held Monday, November 23rd and Tuesday, November 24th. I would urge you to set up a time to meet with your child's teacher. Conferences are designed as an opportunity for you and your child's teacher to review report cards and share pertinent information regarding your child's academic and social development. Strong collaborative relationships between home and school make our students academic and social growth stronger. There will be no school on Wednesday, November 25th due to conferences and no school on Thursday the 26th and Friday the 27th in observance of the Thanksgiving holiday. Classes for students will resume on Monday, November 30th.

As I shared in the opening paragraph with the colder weather, please remember to dress your child accordingly. Students do go out for recess pending appropriate weather conditions.

A kind reminder from the office, if any of your parent information or emergency contact information such as phone numbers change; please submit these changes to the office. Current numbers and contact information are critical for our staff to have in case you need to be reached. Updated numbers are needed in order to receive Connect Ed messages.

I hope you and your child take a moment over this holiday to think about what you are truly thankful for. Thanksgiving is a wonderful time for us to remember all the little things as well as those more grand. As I say every year, I am so lucky to work with the students, staff and parents here at Wolf's Crossing! Simply put, I love my job and those I am surrounded with daily. Have a wonderful Thanksgiving break.

If the staff and I can answer any questions, please feel free to contact us at our individual phone extensions or through e-mail.

Best Regards,

Allison Sulkson & The Wolf's Crossing Staff

OH teacher selected as Illinois Teacher of the Year finalist

Ann Rodman is a Family and Consumer Science teacher at Oswego High School. She is also only one of 10 teachers in Illinois to be recognized as a 2009-10 Illinois Teacher of the Year finalist.

This year's nearly 175 nominations were scored based on personal background information, the nominator's recommendation, and letters of recommendation. In addition, nominees answered questions focusing on student success, collaboration, continuous learning, and leadership.

"Good teachers lead their students and themselves to excellence," said State Superintendent of Education Christopher A. Koch. "These 10 Illinois educators reflect the passion and dedication of teachers across the state who strive to make a difference each day and develop successful learners."

The 'Those Who Excel,' program provides the state with an opportunity to celebrate the achievements of these teachers and thank them for their tireless devotion and exemplary skills."

The 2009-10 Illinois Teacher of the Year will be announced during an October 24 banquet in Peoria. The Teacher of the Year represents Illinois at NASA Space Camp in Huntsville, Alabama, and in the National Teacher of the Year Program sponsored by the Council of Chief State School Officers and ING.

2009-10 district budget approved

After staff worked to make significant reductions to the tentative budget, the District 308 Board of Education was able to approve a balanced 2009-10 budget, as required by the district's guiding principles.

The approved budget calls for total revenues of \$140,220,929 and expenses of \$140,213,523. The majority of the district's revenues are received through local property taxes; and salaries account for the majority of the district's expenses.

Even though student enrollment increased by about 750 students, the district was still able to balance its budget by reducing maintenance projects, out-of-state travel, field trips, utility costs, paper copies, property insurance premiums, building allowances and the use of substitutes, as well as postponing technology adoptions, freezing administration salaries and negotiating two association contracts.

Per law, the tentative budget was posted August 24 and was on 30-day display. A public hearing on the budget was held prior to the Sept. 28 board meeting.

Paperless progress reports

This school year, District 308's **junior highs and high schools** will utilize the Home Access Center to digitally distribute student progress reports.

Student progress reports will be accessible with the same ease and security you have come to expect when viewing student schedules, grades and assignments. In addition, by instituting this new eco-friendly way for parents to access student progress reports, the district will realize a significant cost savings in terms of paper, postage and time.

Student progress reports will be available on the Home Access Center by visiting our district Web site (www.oswego308.org) and clicking on the Home Access button on the lower left portion of the screen. September Progress Reports will be available on HOME ACCESS no later than Friday, October 2.

Please call your child's school if :

- ▶ you need to obtain your User Name and Password
- ▶ you do not have access to a computer and would prefer a student progress report be mailed to you
