

# Principal's Message

March 2010

Dear Parents/Guardians and Students,

Those familiar sights and smells should remind us that spring is right around the corner. The warmer weather and sunshine is a welcome sight! This month at Wolf's Crossing there are several critical dates and activities to remember.

Kindergarten registration for the 2010-2011 year is taking place March first. This year registration will be done over at the district office which is located right off of route 71. Information regarding kindergarten registration is located online. Registration will run all day. If you are unable to make this date, you may register at another date that is listed.

The PTA meeting for the month of March will be held on Tuesday, March 9th beginning at 7:00 p.m. in the Community Room. I would encourage you to attend the meeting to receive valuable updates on current PTA issues. Your children are welcome to come with you. PTA is a wonderful way to support students here at Wolf's Crossing.

ISAT testing for students in grades third through fifth will begin Tuesday, March 2nd and conclude Friday, March 12th. These are state assessments taken by students. Students can get off to the right start each day by getting a good night's rest and eating a healthy breakfast. Results are reported to school districts over the summer and you will receive your child's testing results next fall.

There is an early dismissal day on Thursday, March 11th. Students will be dismissed at 1:40. Please remember that Kindergarten students will follow a shortened schedule this day.

Spring break for all students begins on Monday, March 22nd. Students will be off for the week and return to Wolf's Crossing on Monday, March 29th. I hope everyone enjoys the time off. If you are traveling or just staying local, enjoy. I will look forward to your return the following Monday.

Please also remember this week is spring parent teacher conferences Wednesday, March 31st and Thursday, April 1st. Your child's teacher or you may request a meeting time. I would encourage you to formally or informally meet or contact your child's teacher to hear how they are progressing both academically and socially. Strong communication between the school and home is a way for students to be successful in their development.

A continued thank you to all of our volunteers. Your time here at Wolf's Crossing is well spent and appreciated. During these last few months, I would encourage you to continue to donate your time on behalf of the students and teachers.

If you have any questions or concerns, please do not hesitate to contact staff members at their extension or e-mail.

Best Regards,

*Allison Sulkson & The Wolf's Crossing Staff*
