

Dear Parents/Guardians and Students,

Welcome back to a brand new school year. We have spent the summer getting the building ready for your return. I hope you all had a wonderful and busy summer! I am looking forward to meeting our new students and families this fall. As always thank you for your patience during the first few days as we work to get the routines down with our buses. That first week can be challenging, so thank you again.

September 15th will be Wolf's Crossing's Curriculum Night. There will be two sessions you may attend. Our first one will begin at 6:30 while the second one will begin at 7:00. This is a night for parents. Please leave students and siblings at home as there is no supervision for them. This evening is designed for teachers to lay out the curriculum expectations for the upcoming school year. It is also an evening to ask any questions regarding the district curriculum your child will be utilizing.

PTA is a wonderful organization that works collaboratively with the staff here at Wolf's Crossing. I would strongly encourage you to join our PTA and take part in the bi-monthly meetings. Our first meeting is being held Wednesday September 21st beginning at 7:15. Children are welcome to attend. Our annual fundraiser will begin in September. This is an easy way you can directly benefit our students. If our fundraiser goal is met things that may be purchased for our students are: additional items for our music department and technology for the classrooms. Purchasing of fundraiser items or a monetary donation will greatly assist in achieving this goal.

Parent communication is a critical key in a child's academic and social success. Please make sure you work to establish a collaborative working relationship with your child's teacher. Students greatly benefit from a strong partnership between home and school. Teachers are available to address any questions or concerns via e-mail or their phone extensions.

We are excited to share this news at Wolf's Crossing we have added two Transitional Program of Instruction here at Wolf's Crossing at first and second grades. The staff and I are excited to welcome these students and their teachers.

I truly hope your child has a terrific year here at Wolf's Crossing! All of us will work to ensure their success both academically and socially.

Best Regards,
Allison Sulkson and The Wolf's Crossing Staff
